8. Possible signs of abuse include (but are not limited to):
  - 8.1 the pupil says s/he has been abused or asks a question which gives rise to that inference
  - 8.2 there is no reasonable or consistent explanation for a pupil's injury; the injury is unusual in kind or location; there is a number of injuries; there is a pattern to the injuries
  - 8.3 the pupil's behaviour stands out from the group as either being extreme model behaviour or extremely challenging behaviour; or there is a sudden change in the pupil's behaviour
  - 8.4 the pupil asks to drop subjects with a particular teacher and seems reluctant to discuss the reasons
  - 8.5 the pupil's development is delayed
  - 8.6 the pupil loses or gains weight

  - 9.2 to be aware of the School's child protection procedures and to follow them
  - 9.3 to know how to access and implement the procedures, independently if necessary
  - 9.4 to keep a sufficient record of any significant complaint, conversation or event
  - 9.5 to report any matters of concern to the Designated Child Protection Coordinator
  - 9.6 to undertake appropriate training including refresher training at 3 – yearly intervals

### **Procedures**

#### **10. Initial Complaint**

A member of staff suspecting or hearing a complaint of abuse:

- 10.1 Must listen carefully to the child and keep an open mind. Staff should not take a decision as to whether or not the abuse has taken place.
- 10.2 Must not ask leading questions, that is, a question which suggests its own answer
- 10.3 Must reassure the child but not give a guarantee of absolute confidentiality. The member of staff should explain that they need to pass the information to the Designated Child Protection Coordinator who will ensure that the correct action is taken.

## RYDAL PENRHOS CHILD PROTECTION POLICY

10.4 Must keep a sufficient written record of the conversation. The record should include the date, time and place of the conversation and the essence of what was said and done by whom and in whose presence. The record should be signed by the person making it and should use names, not initials. The record must be kept securely and handed to the Designated Child Protection Coordinator.

### 11. **Preserving Evidence**

All evidence, (for example, scribbled notes, mobile phones containing text messages, clothing, computers), must be safeguarded and preserved.

### 12. **Reporting**

All suspicion or complaints of abuse must be reported to the Designated Child Protection Coordinator, or if the complaint involves the Designated Child Protection Coordinator, to the Headmaster or other Deputy.

### 13. **Action by the Designated Child Protection Coordinator**

The action to be taken will take into account:

13.1 The procedures in the *Local Safeguarding Children Boards (Wales) Regulations 2006* and *Safeguarding Children; Working Together Under the Children Act 2004* published by the Welsh Assembly Government.

13.2 The nature and seriousness of the suspicion or complaint. A complaint involving a serious criminal offence will always be referred to the SSD or the police without further investigation within the School.

13.3 The wishes of the pupil who has complained, provided that the pupil is of sufficient understanding and maturity and properly informed. However, there may be times when the situation is so serious that decisions may need to be taken, after all appropriate consultation, that override a pupil's wishes.

13.4 The wishes of the complainant's parents, provided they have no interest which is in conflict with the pupil's best interests and that they are properly informed. Again, it may be necessary, after all appropriate consultation, to override parental wishes in some circumstances. If the Designated Child Protection Coordinator is concerned that disclosing information to parents would put a child at risk, he or she will take further advice from the relevant professionals before making a decision to disclose.

13.5 Duties of confidentiality, so far as applicable.

13.6 The lawful rights and interests of the School community as a whole including its employees and its insurers.

13.7 If there is room for doubt as to whether a referral should be made, the Designated Child Protection Coordinator may consult with the SSD or other appropriate professionals on a no name basis without identifying the family. However, as soon as sufficient concern exists that a child may be at risk of significant harm, a referral will be made without delay. If the initial referral is made by telephone, the Designated Child Protection Coordinator will confirm the referral in writing to SSD within 48 hours. If no response or acknowledgement is received within 3 working days, the Designated Child Protection Coordinator will contact Social Services again.

## **RYDAL PENRHOS CHILD PROTECTION POLICY**

### **14. Referral Guidelines**

A referral to the SSD or police will not normally be made where:

- 14.1 the complaint does not involve a serious criminal offence; and
- 14.2 a referral would be contrary to the wishes of a pupil complainant who is of sufficient maturity and understanding and properly informed, and contrary also to the wishes of the complainant's parents; and
- 14.3 the case is one that can be satisfactorily investigated and dealt with under the School's internal procedures, the parents being kept fully informed, as appropriate.

However, if during the course of the internal procedures, it appears that the situation is more serious, the Designated Child Protection Coordinator will again consider whether a referral should be made in accordance with section 13 above.

### **15. External Agencies**

Whether or not the School decides to refer a particular complaint to the SSD or the police, the parents and pupil will be informed in writing of their right to make their own complaint or referral to the Social Services Department or the Child Protection Unit of the police and will be provided with contact names, addresses and telephone numbers, as appropriate.

### **16. Allegations Against Staff**

The School has procedures for dealing with allegations against staff (and volunteers who work with children) that aim to strike a balance between the need to protect children from abuse and the need to protect staff and volunteers from false or unfounded allegations.

Suspension will not be an automatic response to an allegation. Full consideration will be given to all the options, subject to the need to ensure:

- The safety and welfare of the pupil or pupils concerned; and
- The need for a full and fair investigation.

### **17. Allegations Against Pupils**

A pupil against whom an allegation of abuse has been made may be suspended from the School during the investigation and the School's policy on behaviour, discipline and sanctions will apply.

### **18. Suspected Harm From Outside the School**

A member of staff who suspects that a pupil is suffering harm from outside the School should seek information from the child with tact and sympathy using "open" and not leading questions. A sufficient record should be made of the conversation and if the member of staff continues to be concerned he or she should refer the matter to the Designated Child Protection Coordinator.

## RYDAL PENRHOS CHILD PROTECTION POLICY

The Designated Child Protection Coordinator will monitor the operation of this policy and its procedures and make an annual report to the Governing Body.

**Legal Status:** Complies with *Regulation 3(2)(b) of the Education (Independent School Standards) (England) Regulations 2003* and DfES Guidance “Safeguarding Children in Education”.
